TVK Orchestra,  
I know we already sent back your evaluation card, however Rick & I wanted to personally thank you for making our wedding perfect. I have to admit I was a little nervous hiring a band & only hearing your CD. Your band was incredible & you were a pleasure to work with. I've already referred you to two other people.

Dear Tom,  
Your band was just what we needed at our daughter's wedding at Hilton on Sept. 24, 1994. The keyboard player was terrific at cocktail and dinner time. He was so considerate to tone down the music during the "love" songs that were sung to the bride and groom to make them kiss.

Thanks again, Tom. It was so nice working with you and your orchestra. If you wish to give our number to prospective customers, you have our permission.

Thanks for a super night. Your band set the tone!
